DIVE DEEP INTO

THE PEOPLE OF TOMORROW

By Eugenia Koh

Our small group celebrating one of our member's birthdays

WHO are we - A group of young adults who believe in living life to the fullest and seeking to have God at the centre of all we do. Our group ranges in age from between 20 to 25.

WHY do we bother with small group?

DIONNE HOE - Small group is a place where I can share comfortably and openly without holding back anything as I know my small group members are trustworthy and would not judge me in any way. I am glad that I am able to establish that in my small group and am proud to say that I have definitely grown in my walk with God as I have seen God's faithfulness in every member as he worked in and through each of us. Being in a small group has also kept me accountable and definitely made me more disciplined as we have to listen to a sermon and share our reflections during the session.

PEOPLE -

CHRISTABEL DAVID - Being in a small group has helped make me accountable to being disciplined in my spiritual walk with God. Small group sessions have allowed us to share and walk with each other through different episodes of life. It is always amazing to see how our same God is at work in unique ways and this has allowed me to grow deeper in my understanding of and relationship with Him.

OLIVIA NG - Small group is a place where you can share honestly and grow spiritually together. With the many difficulties faced in your own personal life, small group is where we help pray for one another and encourage one another to press on. The friendship definitely goes beyond our meetings each month!

CLINTON YEO - Small group... the people closest to me after my immediate family. A place where I can strip away all my insecurities and have conversations with no holds barred. We share the same goal of wanting to learn more about God and how to be a shining light to our community.

JOSHUA WONG - Small group is a source of friendship and support for me. It is where I feel comfortable sharing both my burdens and joys as many of us are dealing with similar life issues. It not only helps me to grow spiritually but also challenges me to take extra steps whenever I can!

WHAT do we do at small group?

We are currently studying the book of Proverbs, with the focus on the pursuit of wisdom. We listen to the sermon series on Proverbs by Timothy Keller, the pastor of New York Presbyterian Church, before small group session, and then discuss our insights from his sermon and the passages covered as part of each week's topic. We take turns to facilitate the sessions each time.

WHEN do we meet ? Twice a month on Sunday afternoons

WHERE do we gather ? Usually in church, but sometimes at one of our homes
