Course Overview

DISCIPLE II: Into the Word Into the World is the second study in the four-phase Disciple program. DISCIPLE II proclaims the transforming power of Scripture while teaching Bible study skills that take participants deeper into the Scripture. The importance of keeping Bible study related to witness is reinforced while participants are encouraged to practice spiritual disciplines arising out of Scripture for the purpose of changing habits and transforming lives. Each session persons will be guided to experience the gift of Sabbath rest and renewal.

The study also emphasizes the rhythm of coming to God and going for God, of being in the Word and in the world individually and corporately. This study understands the growing Christian as under discipline in community and in ministry to the world – approaching all experiences of life as opportunities for faithful witness and service. At some point in their study of every session, participants make decisions about how they will respond to Scripture in terms of ministry in the world.

DISCIPLE II Study Manual retains the familiar DISCIPLE format with its theme word, theme verse, statement of the human condition, daily and weekly assignments, and prayer for daily use.

Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session.

The recommendation for DISCIPLE II (32-week study) is for 3.5 - 4.0 four hours of personal study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group sessions.

DISCIPLE II focuses on Genesis-Exodus in the Old Testament, and Luke-Acts in the New Testament:
