DISCIPLE IV: UNDER THE TREE OF LIFE (UTOL)

The fourth phase of DISCIPLE concentrates on the Writings in the Old Testament – Ruth, 1 and 2 Chronicles, Ezra, Nehemiah, Esther, Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon, Lamentations and Daniel. New Testament Scriptures include the Gospel of John; 1, 2, 3 John; James; Jude; and Revelation.

The image of the tree of life frames the biblical story: In Genesis, in the midst of the garden, but off limits. In Revelation, on either side of the river is the water of life, with fruit to eat and leaves for the healing of the nations.

The colour is gold. Gold symbolises the glory and majesty of God, an emphasis found throughout the Writings. A reference to gold in Job connects the biblical concept of being tested and refined with the idea of moving toward completion –

"when he has tested me, I shall come out like gold" (Job 23:10). The image of light permeates John's Gospel. We think of light as golden. And images of gold from the book of Revelation come quickly to mind: the measuring rod of gold, the street of the city that is pure gold.

The Revelation Worship Video is a component unique to DISCIPLE: UNDER THE TREE OF LIFE. Worship plays a central role in the book of Revelation. Through video, UNDER THE TREE OF LIFE participants will experience the book of Revelation as worship. The video provides an interactive, sensory experience. Viewers will participate by reading, singing, listening, praying, and lamenting and will be immersed in the words, images, colors and music that declare triumphantly that the God who is at the beginning is the God who is at the end.

This video worship experience proclaims that the book of Revelation is a message to embrace and a hope to anticipate. It is the climax to the journey DISCIPLE participants made from Creation to the New Jerusalem. The Revelation Worship Video, more than an hour in length, will be used in Session 31. The video is not optional. It is intended for the group meeting, and each study group needs access to it.
